## Qualified teacher status

### Feedback is a gift

We are teachers who have lived and worked in the UK and making sure you have positive experience and find a supportive school is important to us.

You can read some reviews on our [Facebook](#) and watch some video testimonials [here](#).

## Proficient Teachers- Don't miss your chance to easily apply for QTS before January 2023

In January 2023 it will be harder and more time consuming for Aussie, Canadian and NZ teachers to gain British Qualified Teacher Status (QTS). It is currently free and just requires teachers from these countries to have moved from provisional to proficient status. You can teach in the UK for up to 5 years without QTS, but it is nice to have. If you are considering teaching in the UK in the coming years, apply for your QTS Certificate before January. [Ask us how!](#)

## UK School Terms

The English school year runs from early September to mid or late July of the following year. Most schools operate a three term school year, each term divided into half terms.

Autumn term runs from early September to mid December (half term falls in late October). Spring Term runs from early January to Easter. (half term falls in mid February). Summer Term runs from Easter to mid July (half term falls in late May or early June).

At the end of each half term, in October, February and May, there is a holiday which lasts about one week (usually nine full days, including two weekends).
