Is London your jam?

London is a magnet for Aussie, Kiwi and Canadian teachers. There are so many positives connected to living and working in the capital but also some things you should be aware of before deciding if London is right for you. We can help you secure a great job and join our community of teachers who are developing their careers and exploring Europe.

Interested in working in London? [Click here to read our latest blog on the 10 things you need to know before you go.](#)

You may be eligible for £10,000 to relocate and teach in the UK

Have you heard about the 'International Relocation Payments (IRP) for overseas teachers for the 2023- 2024 academic year?' Your answer is probably, no!

If you are a Physics or Language teacher, there are opportunities for you to secure a one-off payment to come and teach in the UK this September. How good is that!!

[Read our blog with more details about the IRP payment and get in touch to check your eligibility!!](#)

£10,000 payment for selected international teachers

Refer a friend and earn \$100

We love hearing from teachers we have previously helped or spoken to about teaching in the UK.

We pride ourselves on offering an honest and transparent service that is teacher-centred. We are teachers ourselves and have lived and worked in the UK and have decades of experience supporting international teachers into day to day, contract and permanent teaching jobs across the UK.

We'll look after you or someone you know who is ready to live and teach in the UK.
