Spotlight on Manchester

Rick and the team in our Manchester office are always keen to welcome teachers from Australia, New Zealand and Canada to work in the city they love. Manchester is a top location for teachers heading to the UK, with an international airport, loads of nightlife, shopping, sports and beautiful countryside. Whether you are keen on guaranteed supply work or a more long-term contract, they can help.

Emma moves from Canada to Brighton and tells you all about it!

"My name is Emma and I'm a Canadian teacher from Hamilton, Ontario. Teach In supported my first (and best!) teaching experience since graduating from teacher's college where I worked both as a supply and contract teacher in Brighton, England. I have since returned to Canada but had such a wonderful experience abroad with Teach In that I want to share about it here."

The difference between teaching in the UK and Australia.

What are the differences between the UK and Australian curriculum? This is a very common question we are asked here at Teach In.

We've prepared this handy guide to the main differences (and similarities) in the UK and Australian curriculum for anyone starting their overseas teaching adventure.
