Free Service

It is free to use our service

Teachers that register with us receive free and completely transparent advice and support to find the right teaching job in the UK. We answer any questions you have, walk you through your options, help you prepare and ace job interviews and become compliant to teach in the UK. You may also have questions about visas applications, accommodation, connecting with other teachers, opening a bank account and gaining a National Insurance number. We can offer all this free, as it is the schools we work with that fund our service, and we even help with some of your flight cost.

What to wear in British Schools

In British schools, the dress code for teachers can vary depending on the school's policies and the level of formality they adhere to.

Generally British schools are slightly more conservative with their dress codes than in Australia, Canada and New Zealand, but this is a generalisation. There here are some general guidelines that you can consider when deciding what to wear as a teacher in British schools
