Emma and Lachlan discuss registering with Teach in

### What to expect when you get in touch

Emma and Lachlan talk to us about their experience of registering with Teach in and how that progressed into them securing interviews and their first teaching job in the UK.

Now is a great time to contact us so we can discuss options for later this year or in 2025. We can outline your work options, location options and which visa you can apply for. Our service is free for teachers and we advocate so you are paid correctly and have lots of support before and after you arrive in the UK.

### Choose your work type in the UK

Our international teachers take on a range of different types of teaching work and contract types in the UK.

At Teach in, we are not interested in pushing you into supply, contract or permanent roles, as we can offer all three options to Aussie, Canadian and New Zealand teachers.

So let us know what you are looking for! Our huge network of branches means we have opportunities in schools all over England. That means you have real choice.

### Part 5 - Curriculum Planning in a Secondary Setting

During covid, we asked esteemed UK Principal, Stuart McLaughlin to partner with us to create a series for overseas and local British teachers that walks you through the main things you need to know to thrive in a UK classroom.

Part 5 focuses on supporting secondary teachers who are heading to the UK to work. Stuart talks about how curriculum planning and assessment works in a secondary setting.
