Corey talks about developing as a teacher in the UK

Unpacking the British National Curriculum

We support Aussie, Kiwi and Canadian teachers who want to head to the UK to live and teach. Many teachers who register with us are initially very nervous about whether they will manage working in the British education system. We can reassure them that the British National Curriculum is very similar in most ways to the Australian, New Zealand and Canadian curriculum. Part 3 - Time Management

Part 3 focuses on providing support for beginning and more experienced teachers who are time poor. Stuart provides Time Management strategies. The focus is on British schools and what is expected and he provides some hacks that can help you maximise your output, so you can enjoy a work/life balance as a teacher. [Click here to watch.](#)
