Teach in England and Travel Europe

While we know that teaching in the UK is a great way to develop professional and can lead to great leadership opportunities and other international roles, we also know that travel is a huge drawcard for most of the teachers we help relocate and work in the UK. Travel throughout Europe is all part of the big overseas adventure for the teachers we support. You will have 13 weeks leave from school and lots of long weekends, as each public holiday in the UK is on a Monday and they are called a Bank Holiday weekends, in order to explore the UK and Europe.

Part 6 -Inclusion

During covid, we asked esteemed UK Principal, Stuart McLaughlin to partner with us to create a series for overseas and local British teachers that walks you through the main things you need to know to thrive in a UK classroom.

Part 6 of the series focuses on how best to set up and maintain an inclusive classroom, where all students feel like they belong and have the chance to thrive.
