Yes, we help with your flight to the UK

We know that heading to the UK includes relocation costs like getting your visa, booking flights to the UK and setting up in a new place. When you secure a contract in one of our partner schools for two terms or more, we can offer a Flight Relocation Payment. As long as you stay for those two terms, the money is yours to keep. If you want to start as a supply teacher on our Guaranteed Supply Contract, we can also offer you the Flight Relocation payment, with the only difference being you get half the payment upfront and the other half after you have worked for 130 days through us.
