### The best all-round service for overseas teachers

Unlike many agencies, the Teach in team is made up entirely of former teachers with UK teaching experience. We understand the challenges of teaching in the UK because we've been in your shoes. This allows us to provide empathetic, insightful, and practical support tailored to your needs. We are also local, so available in your day/ evening.

### Surviving your first 6 months in the UK

We have helped thousands of teachers over the past two decades to make the move to the UK- something they have dreamed about doing and finally make a reality.

This blog will walk your through the ducks you need to get in a row to make sure you have a very positive start to your UK teaching experience and we are hear to help you. Those ducks include getting your finances sorted, finding stable accommodation, organising key documents, registering with a GP, getting settled in your job, understanding the transport system, understanding the tax system, building a social circle and adjusting to different cultural nuances and giving yourself time to adjust! ### Looking for a UK job this September?

Are you ready to secure a UK teaching job for the 2025/2026 UK school year? The year starts on 1st September and concludes at the end of July 2026. Now is the time to get in touch with us if you haven't already.

Throughout February we are collecting Stage 1 compliance documents and introducing our teachers to consultants across the UK. From March -July we will be securing contracts for all our teachers and helping them transition to the UK.
