Taylor's Time in London

Sydney teacher Taylor has shared her experience of living & teaching in London, which she refers to as- "The Best Chapter of My Life!"

"If you'd told me a couple of years ago that I'd be living and teaching in one of the most vibrant cities in the world, I would've smiled and said, "Maybe one day." But that day came sooner than expected – and thanks to Teach In, that big, brave move became not only manageable, but one of the most rewarding experiences of my life."

Support from your UK School

The Teach in team are used to offering personalised support and we love exceeding our teachers expectations, and being available to help with all things related to heading to the UK.

We also expect the schools we partner with, where you will be working, to offer a high quality induction and mentorship for our overseas teachers.
