Your 2026 UK and Europe Travel Plan

Canadian, Emma talks about teaching in Brighton, UK.

We help teachers from all over the world to find UK teaching jobs. Emma wanted to live and teach in Brighton and start doing daily supply work. We loved supporting Emma to make her dream come true.

When you register with us, it starts with a registration call and chat about what you are looking to achieve and when you want to head to the UK. The next step is to give you all the information you need and create a personalised timeline, so you are on top of the whole process.
