Your Guide to Flatmate Hunting in the UK

Finding a good flatmate and place to live in London or other parts of the UK is key to a positive experience—whether you're in a short-term let or looking to settle in for a year or more.

Here's a guide on how to find a flatmate, red flags to watch out for, and questions to ask during the process. While we have focused on London, this is the same or similar process in all parts of England. The good news is we have lots of tips and support to offer our overseas teachers!

Where to live in the UK

Moving to the UK is almost a rite of passage for Australian, New Zealand and Canadians, but many never get further than London. This is quite understandable. London is an endlessly fascinating, vibrant city in which its residents constantly discover hidden gems, giving them a unique pride in their 'secret' city. London is a city of vast contrast.

Scam Alert! Be Aware Before you Go

Scams to look out for when you head overseas
Scams are everywhere but when you are traveling or move to a new place, and the way of doing things are slightly unfamiliar, you are often more susceptible to being scammed.

We are here to help you navigate the process of relocating and with a local and UK Consultant, you will have support before you leave and on the ground.
